## All the King's Men Robert Penn Warren

It is the story of Willie Stark, a politician who builds up support by appealing to the common man while playing dirty politics with some of the best back-room deal-makers. The book inspired me to write Chanakya's Chant.

## Lolita Vladimir Nabokov

Nabokov's famous and exceedingly controversial novel tells the story of

the aging Humbert Humbert's obsessive, devouring and doomed passion for the nymphet Dolores Haze. It's a novel that will rip your morality in shreds.

## The Godfather Mario Puzo

The story of a don, Vito Corleone, the head of a New York Mafia family, and his epic struggle to control, the underworld is a gangster novel that you cannot put down till the very end.

## Jesus Lived in India Holger Kersten

A compelling book that presents evidence that Jesus did indeed live in India and died there in his old age. This book inspired me to write The Rozabal Line.

## The Fountainhead Ayn Rand

A fast-paced story of one man, Howard Roark, and his struggles as an architect to practice what the public sees as modern architecture. It presents unlimited twists in the plot in the unmistakable no-nonsense style of Ayn Rand.
